## **3.0 TOURNAMENT PRELIMINARIES**

### **3.01 - Rosters**

Teams can have an unlimited number of players on their roster. There will be no more than 4 coaches (1 manager, 2 coaches, and a scorekeeper) allowed in the tournament. A team can add to their roster up to their first game. If an unforeseeable circumstance happens during tournament play where a coach needs to add to their roster, they must immediately submit their reasoning to the Tournament Committee and the Committee will then either grant or deny the request. A player can be on rosters for two different age groups, but not on multiple teams within a single age group. If an illegal player is discovered during a game, that player is removed for the rest of the tournament. The game is resumed from the point the illegal player was removed.

#### **3.01.1 Roster Submission:**

Please submit your team's roster via the Playbook365 registration link your coach will provide.

#### **3.01.2 Age Groups: Refer to [chart](#) on page 13**

**3.02.2** All players, coaches, fans, and parents should be aware of foul balls at all times. There will be more than one game going on at a time and foul balls can come from different fields. Please return all foul balls to the umpire or a staff member.

### **3.03 - Uniforms**

**3.03.1** All players must have a uniform number.

**3.03.1.1** Jewelry may be worn but any jewelry that poses harm, injury, or distraction to another player is prohibited.

**3.03.2** Coaches are not required to wear full uniform during games.

However, MSI does expect coaches to dress appropriately on the field. Coaches are not required to wear helmets while coaching 1st or 3rd base. **Players must wear helmets if they coach 1st or 3rd base.**

#### **3.03.3 Footwear Restrictions:**

**3.03.3.1** NO METAL CLEATS ARE ALLOWED ON TURF FIELDS! Players MUST wear baseball turfs, molded plastic cleats, or sneakers on our turf baseball fields.

**3.03.3.2** If a player is seen wearing metal cleats on turf fields, they will be required to remove them, and a field warning will be issued. If any player, after the warning, is found wearing metal cleats, they will be restricted to the bench.

**3.03.3.3** Please note: some off-site fields are dirt/grass and metal cleats are permitted on those surfaces.

### **3.04 - Equipment**

**3.04.1** Teams should bring helmets, bats, gloves, catcher's gear, first aid and other equipment that may be needed for the team.

#### **3.04.2 Pitcher Signal Armband**

**3.04.2.1** A pitcher may wear a wristband with a signal card insert on his non-pitching wrist/forearm. It must be black or a solid, dark color. If the insert is not covered with a flap, it should be on the inside of the wrist to reduce any distraction to the batter. There shall not be any attachment to the pitcher's glove.

#### **3.04.3 On-Field Electronic Communication**

**3.04.3.1** MSI permits the use of an exclusively one-way electronic communication device from the dugout to the field for the purpose of relaying the pitch or play call. The use of an in-

ear communication device shall be limited to the defensive position of the catcher.

### **3.04.4 Bat Restrictions**

**3.04.4.1 9u-12u:** No weight restrictions. Barrel size must be between 2 ¼ - 2 ¾. Players may use BPF 1.15, BBCOR, or USA Baseball designations.

**3.04.4.2 13u-18u:** **Must be -3 BBCOR.** If you choose to use a wood bat, it can only be single-solid wood.

**3.04.4.3** Any illegal bat that is discovered while the player is at bat, but before the bat has contacted the ball...foul, foul tip, hit, out...will simply be removed with no penalty. If a proper appeal is made after a player uses an illegal bat...foul, foul tip, hit, out... that player will be called out and all runners will return to the base they last occupied.

waiting. Please use the walking path that leads to fields F and G to access the batting cages.

## 4.0 TOURNAMENT PLAY

### 4.01 - Time Limit (except Semifinal and Championship games)

**4.01.1** All games will be played with a one hour and 45-minute time limit. No new inning will start after the one hour and 45-minute mark.

**4.01.2** Official time will be kept by the umpires.

**4.01.3** The time will start immediately after the conclusion of the pre-game meeting.

**4.01.4** For each team's pool play games, the home team will be determined by a coin flip at the pre-game meeting.

**4.01.5** If the home team is batting and is ahead as the time limit is reached, the game will end immediately.

**4.01.6** When the time limit is reached in consolation games, the current batter will complete their at-bat, and then the game will end. The score reverts to the last completed inning unless the home team is ahead in the bottom of the inning when the time limit is reached. If the home team has tied or taken the lead in the current inning, that score may stand.

### 4.02 - Time limit for Semifinal and Championship games

**4.02.1** All Semifinal and Championship games will be played with a two-hour time limit.

**4.02.2** If a game is tied after 6 innings for **9u-12u**, or 7 innings for **13u-18u**, or the two-hour time limit, the two teams will go into tie-break rules:

- Base runners will be placed as follows:
- Last batter from previous inning @ 1st Base
- Second to last batter @ 2nd Base
- Third to last batter @ 3rd Base
- Normal substitution rules apply to these runners.
- The hitting team will start the inning with one out.

- Play continues until one team is ahead at the end of an inning.

#### **4.03 - Score Keeping**

We recommend that all teams (home and visitors) keep a scorebook. The official scorer of the game will be the umpires. It is the team's responsibility to check every inning with the umpires to confirm the score.

#### **4.04 - Pre-Game Plate Meeting**

Only the head coaches and umpires will be involved in the pre-game plate meeting. The Head Coach shall also inform the other coach and the plate umpire how they intend to bat their players... 9,10,11, all. It is the team's responsibility to verify the accuracy of the opposing team's lineup prior to the first pitch of the game. Head Coach must bring any unresolved issues to the attention of the Tournament Director before the game starts.

#### **4.05 - Starting the Game**

**4.05.1** All games must be started with at least 8 players. If a team does not have at least 8 players at the start of the game, they forfeit the game.

**4.05.2** If a team starts with 8 players, an automatic out will be called every time the 9th slot in the batting lineup comes up. If a 9th player arrives at any time during the game, that player is to be inserted immediately into the lineup in the 9th spot and placed into the game (even if the team is on defense).

**4.05.3** Any other player(s) that arrive after the 9th player can only be used as a legal substitute.

**4.05.4** All teams should be prepared to start their game 30 minutes prior to the scheduled start time.

#### **4.06 - Hitting Lineup**

**4.06.1** In all age groups, teams can bat 9, 10, or 11 (DH, EH, XH) or they can bat their entire lineup.

**4.06.2** The DH can bat anywhere in the lineup and can hit for anyone.

**4.06.3** If the pitcher leaves the mound but stays in the game, then that player hits and the DH is eliminated for the remainder of the game.

**4.06.4** The EH and XH may bat anywhere in the lineup.

**4.06.5** The EH and XH are considered defensive positions for substitution purposes.

**4.06.6** If a team chooses to bat the entire lineup, they will be granted free defensive substitution.

**4.06.7** When batting the entire lineup, if a player exits the game for any reason, that player's spot becomes an automatic out.

#### **4.07 - Innings**

**9u-12u** will play 6 inning games, and **13u-18u** will play 7 inning games. (See time limits in rule [4.01/4.02](#))

#### **4.08 - Official Game**

If a game is stopped and cannot be resumed for any reason, it is a regulation game after both teams have an equal number of at-bats.

#### **4.09 - Tie Games**

All pool games that are tied after 6 innings (**9u-12u**) / 7 innings (**13u-18u**) or the time limit will be recorded as a tie. No extra innings will be played in pool games even if it is under the time limit after 6 innings (**9u-12u**) / 7 innings (**13u-18u**).

#### **4.10 - Forfeits**

All forfeits that occur before the start of the game will result in 6-0 win (**9u-12u**) or 7-0 win (**13u-18u**). All forfeits or concessions that occur while the game is in progress will end the game immediately and the game will result in 6-0 win (**9u-12u**) or 7-0 win (**13u-18u**). If any forfeit is deemed to be intentionally unsportsmanlike (ruled on by the Tournament Committee), the forfeiting team may become subject to additional penalties.

#### **4.11 - Mercy Rules**

Games will end if the run difference is: 15 runs after 2 innings; 12 runs after 3 innings; 10 runs after 4 innings; and 8 runs after 5 innings.

#### **4.12 - Re-Entry Rule**

A starter who is replaced may re-enter the game only once and must re-enter in the same spot in the lineup. If a substitute is replaced, that substitute cannot re-enter. The re-entry rule also applies for the DH, EH and XH.

#### **4.13 - Courtesy Runner**

For pitcher and catcher only. May be at any time. If you have substitutes, use them as your courtesy runner(s). If you don't, then use the player(s) who made the last out(s).

#### **4.14 - Warm-up Pitches**

Pitchers are allowed 8 pitches before their initial inning and 5 pitches before additional innings.

#### **4.15 - Defensive Conferences**

**4.15.1** Each team is allowed three charged conferences to permit coaches or their non-playing representatives to confer with a defensive player or players. In an extra inning playoff game, each team shall be permitted one extra conference per inning. Any unused conferences may be carried over to extra innings. A conference is not charged if the pitcher is removed as a pitcher. After three charged conferences (adding one additional free conference for each extra inning), additional visits to the pitcher will require removal of the pitcher as pitcher for duration of the game.

**4.15.2** When either team has a charged conference, the other team may also have a conference, which is not charged, provided the conference concludes when the opposing team's charged conference concludes, so that the game is not further delayed.

#### **4.16 - Offensive Conferences**

Each team is allowed one charged conference per inning to permit the coach or any of the team's personnel to confer with base runners, the

batter, the on-deck batter or other offensive team personnel. In an extra inning playoff game, each team shall be permitted one extra conference per inning.

#### **4.17 - Umpire/Coach In-Game Play Discussion**

If a head coach has a question about a call with the base umpire, they may go to, but no further than, the foul line. If the question is with the home plate umpire, the coach will go to the home plate circle. A coach is not allowed to go onto the field to argue a call. If they try to, they will be warned, and if they continue, they will be ejected.

#### **4.18 - Protests**

Only roster related issues will be allowed to be protested. Protests must be brought up to either umpire immediately after discovery of a potential illegal player. See roster rules in Rule [3.01](#). In no case will the results of a game be reversed, nor will a game be ordered or permitted to be replayed.

#### **4.19 - Ejections/Suspensions**

- For any unsportsmanlike act, the umpire may verbally warn the offender and both teams. After a verbal warning to both teams, additional unsportsmanlike acts by anyone, the umpire shall restrict the offender to the bench/dugout. If the offender is a coach, they may only leave the bench/dugout to attend to an injured player. If the offender is a player, they are restricted to the bench/dugout for the remainder of the game.
- After a bench restriction, any additional unsportsmanlike acts by the restricted player/coach will result in an ejection.
- Any unsportsmanlike act by either player or coach that involves physical contact with an official will result in a suspension for the rest of the tournament. That individual will also be barred from the complex and any offsite field being used.

#### **4.20 - Seeding/Pool Play Tie-Breaker Policy**

1. Overall Pool play record
2. If two teams are tied: Head-to-Head results
3. If three teams are tied: If one team has defeated both other teams, then that team advances. If not go to #4
4. Total runs allowed in pool play
5. If still tied: Total runs scored in pool play

**6. If still tied: Coin flip**

NOTE: It is possible for two teams to go undefeated in larger pools. Both teams would advance to the playoffs and be seeded based on the tiebreaker rules. If a pool has teams that don't play the same number of games, the first tie breaker will be winning percentage.

**4.21 - Tie-Breaker Policy if TWO teams advance and do not play all common opponents**

1. Overall record
2. Head-to-Head (if teams did not play each other then go to rule #3).
3. Total runs allowed in pool play
4. Total runs scored in pool play
5. If still tied coin flip

NOTE: If there is a case where teams have not played the same number of pool play games, seeding will be based on their winning percentage. If multiple teams have 100% winning percentage but a different number of wins, the team with the most wins will be seeded higher than the other team(s). For example: 3-0 will be seeded higher than 2-0.

**4.22 – Awards**

A team trophy will be presented to the top 2 finishers in each age group.
